GOES
GREEN!

FOR PREVENTION®
Protecting Children is Everyone's Business

Friday, November 6th, 2009
6:00 p.m.

Please join us for the 6th annual Pottery for Prevention®, a fundraising event for Prevent Child Abuse Iowa at the Des Moines Scottish Rite Masonic Center, 519 Park, Downtown Des Moines.

This year, Pottery for Prevention® is going green! Our live and silent auctions will feature original pieces from Iowa potters, as well as pottery and art that have been donated from private art collections, rather than created specifically for this event. In addition to our unique selection of recycled pottery, we will offer exciting gift packages. This entertaining evening will include gourmet hors d'oeuvres and live music. Your contribution will make a real difference in the lives of children and families throughout Iowa.

\$50 per person

Free parking is available next door.
