### SPONSORSHIP (optional)

Pottery for Prevention is a fund-raising event for Prevent Child Abuse Iowa. We are seeking event sponsors to help with the costs of the event. One level of sponsorship is an "Artist sponsorship" for \$100. Artist sponsorship gets recognition/table signage next to your pottery.

Do you know of anyone who might be interested in being your "artist sponsor" at a \$100 donation level, and if so, who should we contact?
