**The 2005 Pottery for Prevention fund raising event, benefiting Prevent Child Abuse Iowa, will be Friday, November 4 at the State Historical Building of Iowa in the East Village of downtown Des Moines.**

**Iowa artists, local celebrities, children, and others will design one-of-a-kind pottery pieces. These unique artworks, combined with value-added enhancements such as gift certificates, services, and other goods, will be sold at auction during "Pottery for Prevention" on the evening of November 4. Last year's event – the first for Prevent Child Abuse Iowa – raised more than \$20,000 for Prevent Child Abuse Iowa operations and programs. Event organizers are counting on an even bigger crowd for the 2005 Pottery for Prevention.**
