

# Prevent Child Abuse

## Child Abuse Hotline 1-800-362-2178

*Anyone can and should report suspected child abuse or neglect. If you think a child is mistreated, take immediate action. CALL 1-800-362-2178 – you may remain anonymous – please have the following info ready:*

- *The child's name and location*
- *The name and relationship of the person you believe is abusing the child.*
- *What you have seen and heard regarding the abuse or neglect*
- *The names of any other people who might know about the abuse*
- *Your name and phone number (Voluntary)*

*We all can help prevent child abuse by recognizing the risk factors, protecting children who are at risk and supporting families who are experiencing stressors. Reporting the situation may protect the child and get additional help for the family.*
